RECEIVING GOD'S LOVE

How Can I receive God's Love?

- A** **Accept** that God Loves me but I have sinned, displeased Him, and cannot save myself from my sins. My sins are separating me from God.
- B** **Believe** that Jesus paid for my sins by dying and taking my place on The Cross. Jesus took my sins for me to have a relationship with God. He is God's Love Gift to me.
- C** **Confess** that Jesus died for me, believe that He rose from the dead and receive Him as my Lord and Savior.
- D** **Develop** my relationship with God by Reading The Bible, Praying Daily, and Attending a strong Bible Believing Church.
- E** **Execute** my responsibilities faithfully and excellently. I am saved to serve.

Jesus is God's Gift to us and He is God's Sacrifice for our sins.

You can live forever.

Now is the time to live the New Life.

NOW IS THE TIME

There is no better time to begin your journey to victory like the present.

Delay, denial, distraction, and discouragement will set in when you ignore present opportunities.

Now is the time to:

1. **Pray**—Prayer is the single most important spiritual activity on which everything hangs.
2. **Persevere**—Look beyond obstacles, obstructions, and objections. Focus on the goal.
3. **Preach**—This Gospel of The Kingdom MUST be declared to every stage, at every age, and in every language.
4. **Plant**—Eating does not result in reaping. Sowing drives reaping. Never stop planting and sowing the seeds of love, laughter, and life.
5. **Partner**—We can accomplish greater if we can just appreciate the power of partnership. The shortest distance between two points is a relational partnership.
