PERSONAL DEVOTIONAL

How Can I receive God's Love?

- A** **Accept** that God Loves me but I have sinned, displeased Him and cannot save myself from my sins. My sins are separating me from God.
- B** **Believe** that Jesus paid for my sins by dying and taking my place on The Cross. Jesus took my sins so that I can have a relationship with God. He is God's Love Gift to me.
- C** **Confess** that Jesus died for me, believe that He rose from the dead and receive Him as my Lord and Savior.
- D** **Develop** my relationship with God by Reading The Bible, Praying Daily and Attending a strong Bible Believing Church.

Jesus is God's Gift to us and He is God's Sacrifice for our sins. You can live forever. It is time to live the New Life.

EQUIPPED *for ministry*

The Ministry of Jesus continues. The commencement of Jesus' earthly ministry was signaled by Him investing of Himself into His disciples. He started this by equipping them. Today, Jesus is still looking for disciples that can be equipped to continue His Work. He is investing His Spirit into our lives. His plan is to set us free, and then use us to bring others to this spiritual freedom. Being EQUIPPED for this great work is absolutely necessary in order to see results. Remember:

1. **Headship** — This is His Work.
2. **Lordship** — We are His People.
3. **Stewardship** — He is equipping and expecting us to do His Work.
4. **Relationship**—The Cross of Jesus demonstrates His intention and our commission.
5. **Leadership**—We are called to lead like Jesus.

In Ephesians 4:12, we are told that we must do the work of the ministry. There is a reward for the obedient.
