

## No One and Nothing

The Love Factor will permeate and penetrate every age, stage, and language. The great news is that no one and nothing can do anything to stop God from loving you.

In Romans 8:35-39, we are taken out of condemnation, a result of sin, and into connection with God, which our Savior provides. In both of these verses, we are drawn to focus on The Love of Christ, also referred to as The Love of God which is in Christ Jesus our Lord. His Love is only realized when received.

Just for a moment, let's flow with and follow His Pure, Powerful, Perpetual, Perfect, and Productive Love:

1. **His Love is Pure** - Love in its purest form drives us to be helpful and harmless. Sadly, in a world filled with hateful rhetoric, hurtful rebukes, and harmful retaliations, it is necessary to sort out motives and not just seek methods. A seemingly helpful method can lead to a hurtful place if motive colludes with hate. We need to be cleansed, we must be clear, and we are encouraged to connect with Him and His Pure Love.

***God's Love purifies the impure until His Power is activated. Receive His Love. Your future depends on His Pure Love.***

2. **His Love is Powerful** - When in love, people can do the extraordinary. When we forgive even when we can't forget, that is the Power of Love in action. When we remain faithful in seasons of infidelity, that is The Power of Love in action. When we worship rather than worry, that is The Power of Love in action. When we submit to His Will even when we can't discern His Ways, that is The Power of Love in action.

***God's Love empowers His children to focus on eternal principles instead of being carried by the currents of pride, popularity, and prominence. Your future depends on His Powerful Love.***

3. **His Love is Perpetual** - David, a man after God's own Heart, exclaims with confidence that His Love endures forever. God's Love is founded, framed, and fashioned in eternity and in perpetuity. Time cannot contain His Love, and time cannot control His Love. Likewise, we cannot explore and experience this grand Love until we receive eternal life. His Love remains timeless yet needed in time.

***God's Love causes the darkness of our shame, shortcomings, and sadness to disappear. His Love takes us into His Presence and turns on His Perpetual Light. Your future depends on His Perpetual Love.***

4. **His Love is Perfect** - Among many words used for different kinds of "love" and in many languages, AGAPE or Agapao serves as the best description of God's Love. This Love does not hold a grudge and does not seek its own glory. This is pure and perfect. Jesus is the only one who lived on earth and operated in this perfect, unadulterated, selfless Love. Jesus is God's Perfect Love personified.

***God Loves perfects us through our imperfections. We cannot become perfect, but we can connect to His Perfect Love. Your future depends in His Perfect Love.***

5. **His Love is Productive** - When we receive His Love, then, and only then are we in a place and position to produce after His Kind. Do you know that He is unlimited? If He is unlimited, and I receive His Love, I am now entrusted to produce according to His unlimited Power. This has nothing

to do with my history, my story, and my glory. We will remain spiritually barren until we receive His Love. Production begins when we engage with and encounter Him.

***God's Love moves us from maintenance into production. We are products of His Love and producers of His Love. Your future depends on His Productive Love.***

When we receive Christ, we receive God's Love.
